

Thinking About the Future?

What will I do after high school?

Will my child live independently?

What are his/her options?

What can I do to help the transition?

Come to the GGRC Marin County Service Provider Fair

Meet Service Providers!

An Information Fair featuring the many resources available in Marin County for children, teens, and adults with special needs. Services providers will be there to answer questions.

Refreshments will be provided!

Free Transition Planning Workshops and Parent Networking Sessions in English or Spanish!

- Support for Families from San Francisco will conduct a workshop to help parents learn about transition services for teenagers ages 16 and older and how to participate effectively in your child's transition plan.
- Janet Lawson, parent, MFT, and Director of Autistry Studios, and Stephanie Stein, parent, MEd, and Director of Parent Services of Matrix Parent Network will lead the parent networking sessions in English.
- Rocio Smith from Area Board 5 will conduct a transition planning workshop in Spanish and facilitate a parent networking session in Spanish.

Who Should Attend?

Students with developmental disabilities, parents, special education teachers, service providers, community resources, and social workers.
