

# Autistry's **Buy a Gear** Fundraiser

For our end-of-year fundraising campaign, Autistry Studios is offering the unprecedented chance to task Dan with making something on the ShopBot *just for you!* As a thank-you for your donation, he is making personalized gears inspired by the ones he created for Maker Faire.

Purchase one 2015 gear — or more! — engraved with your message. It's a fun way to:

- Honor a student's birthday or graduation
- Show your family pride
- Memorialize a loved one
- Celebrate a new baby

The gears have been specially designed so that all four sizes — **12.5 inches** for \$1,000; **10 inches** for \$500; **8 inches** for \$250; or **5.5 inches** for \$100 — mesh together to form an interactive display. This ongoing "Gear Wall" at Autistry Studios will send a powerful message: *We are all connected.* Thank you for supporting Autistry Studios with your tax-deductible contribution.
