

# Autistry Scientists & Artists Party

It's back! The Autistry Scientists & Artists Party.

**Date:** Saturday, April 8, 2017

**Time:** 6pm – 9pm

**Where:** Autistry Studios, 448 Du Bois Street, San Rafael

**wine & beer • hors d'oeuvres • student projects • karaoke**

## P R E S E N T E R S

**Gwen Whittle**, two-time Academy Award nominee for sound editing (*Avatar*, *Tron: Legacy*). Gwen will let you hear some of her work and see how it is made.

**Cliff Saron**, neuroscientist at the MIND Institute will present *Making the World Whole: Sensory Processing and Integration in Children with Autism Spectrum Disorder*

**Ken Pontac**, animation writer/director/producer (*Happy Tree Friends*, *Bump in the Night*, *Wacky Raceland*). Ken will show cartoons and make up stories about his life. He'll probably bust out a karaoke version of Secret Agent Man, too.

**Mark Eastham**, neurosurgeon with years of ER experiences and miles of stories (and wildly graphic visuals!). Mark will present a fun neurosurgical quiz and audience participation show.

**\$10 cover • Buy Tickets Online:** [autistrysaparty.brownpapertickets.com](http://autistrysaparty.brownpapertickets.com)

**For more information, call: (415) 454-1037**

*All proceeds support Autistry Studios, a therapeutic makerspace for autistic teens and adults. Autistry Studios is a 501(c)(3) organization (Tax ID#27-0699071).*
